Mighty Mites (ages 5-10)

Mighty Mites works on the child's mechanics using different teaching equipment in a fun and exciting environment. The lesson plans are from our combined 25+ years of coaching experience with this age group. Groups will be divided up by age and ability level.

Challengers (Age 11-8th grade)
5:00-6:15pm

Challengers are for players ages 11-8th grade. Players will learn the basic skills of the ground strokes, volleys and serves. Players will play different skill games to spice up the learning process! As they progress, they will begin point-play and learn how to structure a point and keep score. Our goal is to get this group of players competing in USTA Challenger circuit tournaments.

Excellence (Grades 7-12)
Check with Junior Development Director about days and times!

Excellence players are high school players that have made or trying out for their high school team. Most of these players also compete in USTA tournaments or Junior Team Tennis matches.
